Vetro Educator Scoring

- If you achieve an 80% or higher on both your practical and paper exams; you will become a Vetro Certified Instructor
- You will then be able to hold Vetro Technician Courses and certify your students
- When you hold your class you will keep 100% of the \$400 course fee

Vetro Assistant Instructor Scoring

- If you grade less than an 80% on both your practical and paper exams, you will then become a Vetro Assistant Instructor
- You can assist an Instructor at Vetro Technician Courses

After these requirements have been accomplished you will become part of the Vetro USA Academy Education Team!
